Brett Group operates an Equal Opportunities Policy

Brett is the UK's largest independently owned building materials Group with over 60 sites across the South, South East, East and Midlands and employing over 700 people.

As a part of the Brett Group, Brett Aggregates supplies sand and gravel, crushed rock and coated products from both land-based and marine sources. With extensive reserves throughout the South and South East, our capability is reinforced by strategic wharves and rail hubs, ensuring consistent supply to major contracts as well as local customers alike.

With a reputation for excellence, we offer superb development opportunities to people keen to be a part of our continued growth. As an independent business we can offer real job satisfaction in an environment which encourages you to contribute, supports you in getting the job done and enables you to become part of a team that delivers building materials for big ideas.
