

BRETT AGGREGATE

Area Senior Technician for London & Home Counties Region

Competitive salary / rate of pay

THE ROLE (Full Time - 45 hour per week)

Main duties will include sampling and testing of Dry Aggregates, Hydraulically Bound and Recycled products from various sites within London and the Home Counties region.

The position gives customers the confidence that material produced is within the required specification and compliant to our Quality Management Systems and testing frequency schedules.

THE REQUIREMENTS

- This position would suit an enthusiastic individual who is self-motivated and able to prioritise own workload
- Qualified to NVQ/QCF level 2 or equivalent.
- Good numerical, literacy and analytical skills.
- IT skills including Microsoft Office applications.
- Work accurately and with attention to detail
- Respect Health Safety and the Environment.
- Conduct themselves in a professional manner with excellent customer services skills
- Complaint investigations and trend analysis
- Requires working very closely with operations, and the senior LHC management team.
- Work under own initiative and as part of a team.
- Previous experience in aggregate sampling / testing is essential.
- Ensure sampling & testing rates are achieved
- Full Driving Licence

Brett Group is an independent business, which specialises in the supply of construction materials and services.

Based in the southeast, the Group has become a substantial business through both organic growth and strategic acquisitions. Part of the Brett Group of Companies, Brett Aggregates supplies sand and gravel, crushed rock sub-bases and coated products extracted from both land-based and marine sources.

With extensive reserves, our market position is also reinforced by a number of strategic wharves in and around the southeast area ensuring consistent supply to major contracts as well as regular customers.

With a reputation for excellence, we offer superb opportunities to people keen to share in and contribute to our continued growth. In return, we offer real job satisfaction in an environment that encourages ideas, focuses on performances and rewards the continuous improvement of our business.
