The Brett Group operates an Equal Opportunities Policy

Brett Group is a privately owned business, which specialises in the supply of construction materials and services. Based in the southeast, the Group has become a substantial business through both organic growth and strategic acquisitions.

Part of the Brett Group of Companies, Brett Aggregates supplies sand and gravel, crushed rock sub-bases and coated products extracted from both land-based and marine sources. With extensive reserves, our market position is also reinforced by a number of strategic wharves in and around the southeast area ensuring consistent supply to major contracts as well as regular customers.

With a reputation for excellence, we offer superb development opportunities to people keen to be a part of our continued growth. As an independent business we can offer real job satisfaction in an environment that enables you to focus on our customers, encourages you to contribute, supports you in getting the job done and rewards the continuous improvement of how we do business

Please inform your manager before applying for this role.
