

Quality Control Technician covering plants in Surrey/Sussex and Hampshire area

Company van and equipment, competitive salary, incentive scheme, contributory pension scheme.

THE ROLE

- We are looking to recruit a Quality Control Technician to test and make concrete samples from a number of plants in the Surrey, Sussex and Hampshire area, on a daily basis to ensure compliance with industry test rates.
- Communicating with staff from both the technical and operations departments and customer representatives on site.
- The role is not based at a laboratory you will work at more than one location.
- Able to travel to and complete concrete testing at Brett Concrete plant and/or customer sites supplied from Brett Concrete plants, a full and valid UK driving licence is required.

THE REQUIREMENTS

- Construction industry experience advantageous.
- Qualifications in a construction related subject or concrete technology would be beneficial but full training will be provided.
- Be a confident user of software packages and IT.
- Excellent communication and interpersonal skills.
- Be able to comply with Health and Safety practices.
