Brett Group operates an Equal Opportunities Policy

Brett is the UK's largest independently owned building materials Group with over 60 sites across the South, South East, East and Midlands and employing over 700 people.

Part of the Brett Group and based in the South East, Brett Concrete specialises in the supply of ready-mixed concrete and floor screeds across the range for domestic and commercial projects. We have specialist expertise in specifying and operating bespoke site plants having supplied Bluewater shopping centre, the Channel Tunnel Rail Link and Crossrail.

With a reputation for excellence, we offer superb development opportunities to people keen to be a part of our continued growth. As an independent business we can offer real job satisfaction in an environment which encourages you to contribute, supports you in getting the job done and enables you to become part of a team that delivers building materials for big ideas.
